<https://www.cheshire.police.uk/cp/crime-prevention/residential-burglary/>

Please use 101 or Cheshire Police website to report any incidents. 999 in an emergency.

Community Engagement:

This month we have had a drive against knife crime OP Sceptre, we have into the local schools, talking and advising children on different issues related to knife.

We have also been involved in school fairs along with Coronation celebrations and patrolling different areas where we have had reports of ASB and other issues.

This month trucam is currently being updated and replaced

This month speed monitoring has been in Dunham on the hill, Crowton and Delamere road Hatchmere.

All drivers caught will be dealt via the central ticket office.

The poster has a dark blue background. On the left, there is a large yellow speech bubble with the words "Resident's VOICE" in white. Below this, the text "Have your say on policing in your area..." is written in yellow. Underneath that, in white, it says: "It is important to us that we know about the issues that cause you concern. We have set up a survey where you can tell us about the things you would like us to focus on in your area." To the right of this text is a large, faint, light blue circular emblem of the Cheshire Constabulary. Below the text is a black and white QR code. To the right of the QR code, in white, it says: "Open the camera or a dedicated QR code reading application on your phone and hover over the QR code to scan it. You will be taken to a page where you can complete the survey." At the bottom, in yellow, it says: "If you can't scan the code you can go to www.cheshire.police.uk/residentsvoicechester".

Resident's VOICE

Have your say on policing in your area...

It is important to us that we know about the issues that cause you concern. We have set up a survey where you can tell us about the things you would like us to focus on in your area.

Open the camera or a dedicated QR code reading application on your phone and hover over the QR code to scan it. You will be taken to a page where you can complete the survey.

If you can't scan the code you can go to www.cheshire.police.uk/residentsvoicechester

We continue to offer you the chance to get in touch with online and in person police surgeries at different locations and times throughout the Kingsley and Gowy. I have been making the 'Residents Voice' QR cards available in different locations. This is your platform to put forward your views about the Cheshire Constabulary Service, improvements, concerns, and comments of what we do well. You can also find residents voice on the Cheshire police website.

As part of our ongoing work to deter people from committing crime in Cheshire, we have invested in forensic property marking kits to identify those responsible for theft. The work we are doing in this area of prevention is branded Operation Shield. Neighbourhood Policing Teams are visiting households and businesses to introduce forensic property marking. They are offering householders and business owners free kits which are made by a UK company called Selectamark Security Systems plc. Their product is called Selecta DNA.

What is SelectaDNA? It is a cutting-edge way of protecting your property from theft. Each bottle within the kit contains a unique DNA code and thousands of tiny microdots that, once applied, identify it as yours.

Parking is a ongoing issue in several villages, we will continue to monitor the areas and give advisory notices where needed.

[Waiting and parking \(238 to 252\) - The Highway Code - Guidance - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/waiting-and-parking-238-to-252)

Surgery Dates Monday 19th June 23 at Norley village hall. 09.00 to 10.00 hours
